## 300/4 Super Brite Polyester Floss

### WASHING INSTRUCTIONS

#### FOR EMBROIDERED GARMENTS WITH SUPER BRITE POLYESTER

- HOME LAUNDERING**
  - All embroidered garments should be washed with a mild laundering detergent.
  - If bleach is required for washing, a small amount of chlorine bleach can be used.
  - Non-chlorine bleach in accordance with product instructions is preferable.
  - Machine wash cold water.
  - Delicate wash cycle.
  - If color residue appears in water, rinse first in lukewarm water, then cold water several times until rinse water becomes clear.
  - Remove promptly after wash cycle completion.
  - Never leave any piece of embroidered clothing soaking in water or lying in a pile when wet.
  - Do not wring out the embroidered articles.
  - Do not rub stained embroidery.
- DRY CLEANING**
  - Embroidery may be dry cleaned, however, extreme care should be exercised when dry cleaning. Special care must be taken when dark shades are dry cleaned.
  - Avoid use of pre-spotting agents.
- INDUSTRIAL LAUNDERING**

Garments that are embroidered with Super Brite Polyester can be industrially laundered when proper procedures are followed as outlined by the International Fabricare Institute. Please call or fax for details.
- IRONING**
  - Embroidered fabrics should always be ironed on the reverse side.
  - It is recommended to iron embroidery between two pieces of cloth.
  - It is not recommended to wet embroidery prior to ironing or to use a steam iron.

Note: Normally the care label instructions pertain to the garment, not the embroidery.  
Special care should be taken when laundering embroidered garments.

Washing

Max. temperature  
95°C/203°F

Drying

Tumble dry low heat

Bleaching

Chlorine bleach may be used

Dry Cleaning

Dry clean in any solvent

Robison-Anton Textile Company, a division of American & Efird, Inc., is providing this color card for your convenience. This color card is not a warranty and in no way shall create any legal obligation on the part of either Robison-Anton or American & Efird.

As the conditions of use, washing, dry cleaning, other refurbishing, pressing, pre-washing, oven and other curing techniques, etc. are beyond our control, the purchaser and/or user of the thread should determine if the character of the dye and the specific type and size of the thread selected is suitable for the purpose for which it is intended. It is the responsibility of the purchaser and/or user to appraise the thread and assure themselves that it is the proper character of dye, thread type, size, etc. for the proposed application. Neither Robison-Anton nor American & Efird assumes responsibility for any damages arising from your use or reliance on this color card.
