

## Washing Instructions

**For items sewn with Super Stitch Quilting Thread**

### WASHING

- Hand wash in lukewarm or cold water with a small amount of mild soap.
- Try to avoid washing in special fabric products.
- Use detergent recommended for colors.
- When rinsing, do not be concerned with color residue in water.
- Rinse first several times in warm water and then in cold until all soap is removed.
- Never leave damp quilted articles folded or bunched together.

### CAUTION

- Do not wash with fabrics containing starch or stiffener.

### DO NOT USE BLEACH OR WHITENERS

### DRYING

- Machine dry immediately after washing at low temperature.

### DRY CLEANING

- Stains of grease or mineral oil may be removed with perchloroethylene, but must be rinsed immediately afterwards.
- Please note that any dyestuffs can be broken down by excessive dry cleaning fluids, so use caution when dry cleaning.
